WHAT OUR CUSTOMERS SAY:

The X450 is a beast of a BBQ. Assembly instructions are clear and they supply all the tools needed for set up. From ignition to cooking, this BBQ is a pure joy to use. The burners are the best I have used, and as a South African we Braai a lot. They distribute the heat evenly and the control knobs allow for perfect heat settings. The pizza stone is a brilliant addition to this BBQ

WHAT OUR CUSTOMERS SAY:

As a chef and cookery school owner I have cooked on many different BBQs during my career. I am now the proud owner of Sahara's X475 BBQ and I love it. I can honestly say that it's the best BBQ that I have used. Plus it is from an Irish company so I am delighted to be supporting them. The BBQ and all of the many accessories are fantastic value for money and I look forward to many years ahead as a happy Sahara customer.
